List of Tree Warblers with References

Compiled by Joe Hobbs
**Introduction**

Tree Warblers are those members of the Acrocephalidae that are included in the genera *Arundinax*, *Iduna*, *Calamonastides* and *Hippolais*.

I have endeavoured to keep typos, errors, omissions etc. in this list to a minimum, however when you find more I would be grateful if you could mail the details during 2018 & 2019 to: josephobbs@gmail.com.

Please note that this and other Reference Lists I have compiled are **not exhaustive** and are best employed in conjunction with other sources.

Grateful thanks to Ross Ahmed (www.e3ecology.co.uk/site/staff/ross-ahmed) and the late Martin Garner for the cover images. All images © the photographers.

Joe Hobbs

Relevant Publications

**Thick-billed Warbler**

*Arundinax aedon* [Pallas]

[A.a. *aedon*] Tomsk E to Kansk and S to Lake Teletskoy (Altai, SC Siberia) & E Sayan Mts (SC Siberia) and adjacent NW Mongolia. Winters Nepal, E & S India E to Myanmar & Thailand.

Treated by del Hoyo et al. 2006 and Parkin & Knox 2010 as *Acrocephalus aedon*.

Treated by Kennerley & Pearson 2010 as *Phragmatically aedon*.

Note: *rufescens* is a synonym of *stegmanni*.

**Dark-capped Yellow Warbler**

*Iduna natalensis* [A. Smith].

[*I.n. natalensis*] S Tanzania & E Zambia S to E Zimbabwe & E South Africa.

[*I.n. massaica*] SE Sudan & Ethiopia S to E DR Congo, Uganda, Kenya & N Tanzania.

[*I.n. batesi*] Gabon E to S DR Congo and S to Angola and N & W Zambia.

[Treated by del Hoyo *et al.* 2006 as *Chloropeta natalensis*]

Other names: African Yellow Warbler, Yellow Flycatcher, Yellow Flycatcher-warbler, Natal Yellow Warbler (*natalensis*).

**Mountain Yellow Warbler**

*Iduna similis* [Richmond].

Imatong Mts & Dongatona Mts (S Sudan), Mt. Morongole (NE Uganda), Rwenzoris Mts S to Itombwe Forest & Mt. Kabobo (the highlands of E DR Congo, W Rwanda & W Burundi), Mt. Kenya, Mt. Elgon & Mt. Kenya (Kenya) and Crater Highlands (Tanzania) E to Mt. Kilimanjaro and Ugakurus Mts. S to Njombe (N & E Tanzania) and the Nyika plateau (on the Zambia-Malawi border). Treated by del Hoyo *et al.* 2006 as *Chloropeta similis*.

Other names: Mountain Warbler, Mountain Yellow Flycatcher, Mountain Yellow Flycatcher-warbler, Highland Flycatcher-warbler.

**Booted Warbler**

*Iduna caligata* [M.H.C. Lichtenstein].

Extreme SE Finland, W & SW Russia E to Kazakhstan (except most of W & S), Dzungaria (extreme NW China), NW Mongolia & SC Siberia. Winters E Indian subcontinent including Bangladesh. Treated by del Hoyo *et al.* 2006 and Parkin & Knox 2010 as *Hippolais caligata*.

Other name: Eversmann's Warbler.

Eduard Aleksandrovich Eversmann (1794-1860), Russian entomologist and Professor of Zoology at Kazan.

Sykes's Warbler

*Iduna rama* [Sykes's Warbler]

Lower R Volga, Ural R & N Caspian Sea coast E to E Kazakhstan & W & C Xinjiang (extreme W China) and S to S Iran, Afghanistan and NW & W Pakistan and NW Oman. Winters Indian subcontinent.

Treated by del Hoyo *et al.* 2006 and Parkin & Knox 2010 as *Hippolais rama*.

Col. William Henry Sykes (1790-1872), Indian army and naturalist, one time director of the East India Company and an MP for Aberdeen in later life.

Arkhipov, V.Yu. [Records of Sykes's Warbler (*Hippolais rama*), Eastern Olivaceous Warbler (*Hippolais pallida*) and Black Redstart (*Phoenicurus ochruros*) in Astrakhan region, Russia.] *Ornithologia* 31: 211–212. [in Russian with English captions]

Eastern Olivaceous Warbler

*Iduna pallida* [Hempich and Ehrenberg].

*I.p. elaeica* Hungary & Romania E to S Ukraine and Slovenia & Croatia S to Greece and Bulgaria, Turkey & Cyprus and W Syria S to N Israel & W Jordan and N & S Caucasus S to Iraq, W & N Iran, E Arabian peninsula and SW & S Kazakhstan S to Uzbekistan, S Turkmenistan & N Afghanistan.

Winters C & E Sahel region.

*I.p. reiseri* SE Morocco, desert habitats of interior Algeria, S Tunisia & Fezzan (SW Libya). Winters not precisely established. Northern breeding populations possibly to Senegal, Gambia, Niger & N Nigeria and southern breeding populations probably resident.

*I.p. laeneni* Lake Chad region, SE Niger, NE Nigeria & W Sudan.

*I.p. alulensis* Mangrove coasts of the Red Sea, Sudan, Eritrea, Djibouti, Somalia & Bab El Mandab (Yemen).

Treated by del Hoyo et al. 2006 as *Hippolais pallida*.

Other names: Saharan Olivaceous Warbler (*reiseri*), Chad Olivaceous Warbler (*laeneni*), Mangrove Olivaceous Warbler (*alulensis*).

Arkhipov, V.Yu. [Records of Sykes’s Warbler (*Hippolais rama*), Eastern Olivaceous Warbler (*Hippolais pallida*) and Black Redstart (*Phoenicurus ochruros*) in Astrakhan region, Russia.] *Ornithologia* 31: 211–212. [in Russian with English captions]

Bibliography:

**Western Olivaceous Warbler**

*Hippolais opaca* [Cabanis].

Other name: Isabelline Warbler.

Treated by del Hoyo et al. 2006 as *Hippolais opaca*.

Papyrus Yellow Warbler

*Calamastonides gracilirostris* [Ogilvie-Grant].

[C. g. gracilirostris] Lake Edward, S of Virunga Volcanoes (E DRCongo), Lakes Mutanda, Bunyoni, Edward & George (SW Uganda), N & S Rwanda, Karuzi, the Nduruma valley & R Ruvubu (along Tanzania border with N Burundi) and Lake Victoria (W Kenya).

[C. g. bensoni] Mouth of R Luapala (Lake Mweru, N Zambia).

Other names: Papyrus Flycatcher-Warbler, Thin-billed Flycatcher-Warbler, Yellow Flycatcher-warbler, Yellow Swamp-warbler.

Treated by del Hoyo *et al.* 2006 as *Chloropeta gracilirostris*.

Upcher's Warbler

*Hippolais languida* [Hemprich and Ehrenberg].

S Turkey & the Near East E thru the Caucasus, Transcaspia, Turkestan, N Iraq, Iran & N Afghanistan to NW Pakistan. Winters S Ethiopia & N Kenya.

Sir Henry Morris Upcher JP (1839-1921), Deputy-Lieutenant for the county of Norfolk and close friend of the Reverend Henry Baker Tristram. The original description of this warbler by Hemprich and Ehrenberg was considered to be less than satisfactory. Tristram re-described it in 1864 and named it after his friend.

**Olive-tree Warbler**

*Hippolais olivetorum* [Strickland].

The Balkans, S Romania, Bulgaria, Greece, Turkey, Crete, Cyprus, Near East & N Iran. Winters S Zambia, Zimbabwe, C & S Mozambique, Botswana & NE South Africa.

**Melodious Warbler**

*Hippolais polyglotta* [Vieillot].

Iberia and S W & E France E to S Belgium, SW Germany, Switzerland, Italy, Slovenia & W Croatia and NW Africa. Winters Gambia, S Senegal, S Mali, S Burkina Faso & Nigeria S to N Cameroon.

Icterine Warbler
Hippolais icterina [Vieillot].
Scandinavia & S Finland E to WC Russia and S to NE France, S Germany, Romania, N Balkans, Ukraine, Crimea to the Sea of Azov and locally in areas around the S Caspian Sea. Winters S tropical Africa.
